

# Our Travels to England

By

Henry C. Schrader, Jr.

# United Kingdom

- I have been to the United Kingdom 5 times, Anne 4 times.
- We have visited London, Dover, Edinburgh & Northern Ireland.
- England is a place of fascinating history, alive people. Pubs, the royal family. There is a lot to do & see.

# Dover

- Dover is on the Southern end of England at the narrowest point between France & England across the English Channel.
- Due to its site & situation, it has always been a strategic place.
- Dover is famous for its castle (the key to England), its limestone cliffs (the white cliffs of Dover) & as a ferry port.

# London

- London is one of the world's great cities. It has history, is a world financial center & has an amazing collection of interesting people.
- London is famous for the Parliament building, Royal Palaces, the Tower of London, its great theater district, museums & art galleries & parks.
- London is located on the Thames River & is an important port.
